Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Thursday 05 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A cloudy night with thundery showers Friday.

This Evening and Tonight:
Remaining cloudy for most as showers continue into this evening and tonight. Some drier spells possible through the early hours. Feeling warmer than previous nights. Minimum temperature 15 deg C (59 deg F).

Friday:
Another unsettled day as slow-moving showers progress eastward, some of which may become thundery towards the afternoon. Turning increasingly breezy, with near average temperatures. Maximum temperature 20 deg C (68 deg F).

Outlook for Saturday to Monday:
Showers continue into the weekend with unsettled conditions prevailing on Saturday and Sunday. Sunny spells but feeling cool. Scattered sunshine on Monday with showers possibly becoming thundery.
